

Light of our faith

by Jonathan Olvera

Be hold above, the times have changed!

The seasons will now give shade!

All the days of my time, in our faith, in the goodness of Our Lord!

We are strong!

All the angels in the sky!

They will tell the Throne of our God!

Our faith did never change!

In Our church!

Our hand did this work!

All the Heat!

All the darkness!

Oh! church will always shine!

We give favors!

For our young!

We lend ears for the old!

All the days on the head of our church!

Our good Lord he always did count!

We rejoice!

We sing praise!

In our church we will never lose faith!

Amen.
